6th July 2023

Dear Parents, Carers and Friends of Leverton C of E Academy.

We are pleased to finally be able to share with you a copy of our recent inspection report from Ofsted, following their recent visit to our school.

The two day inspection included looking at lessons, talking to the children, staff, parents and governors, as well as looking at lesson planning, children's books, and other documentation and reports from school. The inspector then makes judgements stating what the school is doing well and any areas the school should focus on to make our school even better.

We are sure you will agree that the inspection report makes for fabulous reading, and we are so proud to have retained our GOOD overall judgement, and even prouder that in some areas we were dipping into the outstanding judgement criteria, and we come out of the inspection with just one area for development.

I am sure you will support me in praising the school staff who "have high expectations of pupils", and who ensure that "pupils are happy at this friendly, welcoming school".

Our school staff team have worked incredibly hard since our last inspection, and the governing body was confident of this. We all shared the same sustained determination to continue to make Leverton Academy the best version of itself, so we were all thrilled that the inspectors verbal feedback to leaders, governors, members of the local diocese and our Trust, was so strong and so positive, and we are hugely proud that we have an inspection report to reflect this.

Myself, and the rest of the governing body are extremely proud of our school with its well-designed curriculum and fantastic opportunities it provides for our children. We continue to be grateful to our dedicated and committed staff team, our fabulous children, and their supportive parents that make up our Leverton C of E Academy Family. We would like to thank our dedicated staff team for everything they all do.

I would like to end by wishing you all a wonderful and restful Summer holidays.

Kind regards
Hayley Turner
Chair of Governors
