

Our Curriculum Vision and Aims - 'The Leverton Way'

We respect everybody and everything and this is at the 'HEART' of our school

'Life in all its fullness' *John 10:10*

Our aim is to provide our children with an engaging, exciting and empowering curriculum that equips them for today & tomorrow. We want all children by the time they leave Leverton to have a bag full of knowledge, skills and experiences to enable them to lead successful lives in Modern Britain. We believe that all children, no matter what bag they arrive with (be it full, empty or no bag at all), are given equal opportunities to aspire to be the best they can be - encapsulating our motto 'Believe & Achieve' and living a 'life in all its fullness'.

At Leverton Church of England Academy the curriculum is designed to: recognise children's prior learning, provide first hand learning experiences, allow the children to develop interpersonal skills, build resilience and become confident, independent critical thinkers. The ability to learn is underpinned by the teaching of basic skills, knowledge, concepts and values with a vision to prepare children for life beyond primary school. We provide enrichment opportunities to engage learning as we believe that childhood should be a happy, investigative and enquiring time in our lives, where there are no limits to curiosity and there is a thirst for new experiences and knowledge. We use our Christian Values (Hope, Encourage, Accept, Respect, Trust) to promote positive attitudes to learning which reflect the values and skills needed to promote responsibility for learning and future success.
